BUS PASSES

Important.....CCT will call you when your child has a couple days left on the bus pass, you than have three days to stop in the office or send a check with the bus driver to purchase a new pass.

Bus passes will be kept in the office all school year, and mailed to you at the end if there is any remaining.

- \$18 has a \$20 value (Typically use for in town rides \$2 each)
- \$34 has a \$40 value (Typically use for in town rides \$2 each)
- \$48 has a \$60 value (Typically use for out of town rides \$3 each)

If more than 3 rides are owed, the child will be taken off the schedule until payment is made.
After 3 rides owed the preschooler will automatically be taken off the bus schedule.

I have read and understand the CCT bus pass payment that I have chosen:
